

ARCHEOLOGICAL SITE CATALOGUES AND PHOTOGRAPHS

Dates Prepared: November 2, 2006 and February 15, 2007

Prepared By:

Kautz Environmental Consultants, Inc.
5200 Neil Road, #200
Reno, NV 89502

In order to preserve all of the historic and cultural artifacts located on this site that have been catalogued, these studies are only available upon special request.

The studies have concluded that there are several minor and significant sites on the property. The significant sites have been logged in order to be preserved and protected within the land planning and project development. All cultural and historical artifacts shall be offered to Nevada Indian tribes and the State of Nevada Historical Society for donation.
