RE: Cordevista

Dear Dean:

Lydia Hammock, Planning Commissioner, left a voice message for me requesting copies of the following documents:

1. Technical Drainage Study prepared July 11, 2006, by Resource Concepts, Inc.;
- and
2. Scientific Investigations Report 2006-5010.

I have enclosed two copies of each of the reports. Please pass on one set to Lydia and the other set is for your office.

If you have any questions and/or concerns regarding the above, please let me know.

Sincerely,

G. Blake Smith,  
Managing Partner, Cordevista
